and
Enrichment Activities**

Phase 1

21 October 2016

Dear Parent/Carer/Student

I am delighted to launch our Extra-Curricular and Enrichment Programme for this academic year. As a school we value the opportunities extra-curricular activities offer and we would very much like your son/daughter to involve him/herself in the life of the school beyond attendance at lessons.

Consequently, we are presenting a variety of activities to engage your child's interest on a 5 week rolling programme over the course of the year. We are keen to encourage your child to commit to an activity and see it through to its conclusion. There are activities to enhance learning and improve fitness as well as activities to relieve stress and expand creativity. A new activity programme will be published every 5 weeks as detailed below:

- **1st phase from w/c 19 Sept to w/e 21 Oct**
- 2nd phase from w/c 7 Nov to w/e 9 Dec
- 3rd phase from w/c 9 Jan to w/e 10 Feb
- 4th phase from w/c 27 Feb to w/e 31 Mar
- 5th phase from w/c 24 April to w/e 26 May
- 6th phase from w/c 12 June to w/e 14 July

Please encourage your son/daughter to enrol onto the activities that interest them by reporting to the club at the time and venue stated on the programme.

If you have any queries please do not hesitate to contact me or the teacher running the activity at school.

Yours sincerely

Miss A Clark
Assistant Principal
