Dear Parent/Carer/Student

I am delighted to launch our Extra-Curricular and Enrichment Programme for this academic year. As a school we value the opportunities extra-curricular activities offer and we would very much like your son/daughter to involve him/herself in the life of the school beyond attendance at lessons.

Consequently, we are presenting a variety of activities to engage your child's interest on a 5 week rolling programme over the course of the year. We are keen to encourage your child to commit to an activity and see it through to its conclusion. There are activities to enhance learning and improve fitness as well as activities to relieve stress and expand creativity. A new activity programme will be published every 5 weeks as detailed below:

- 1<sup>st</sup> phase from w/c 19 Sept to w/e 21 Oct
- 2<sup>nd</sup> phase from w/c 7 Nov to w/e 9 Dec
- **3<sup>rd</sup> phase from w/c 9 Jan to w/e 10 Feb**
- 4<sup>th</sup> phase from w/c 27 Feb to w/e 31 Mar
- 5<sup>th</sup> phase from w/c 24 April to w/e 26 May
- 6<sup>th</sup> phase from w/c 12 June to w/e 14 July

Please encourage your son/daughter to enrol onto the activities that interest them by reporting to the club at the time and venue stated on the programme.

If you have any queries please do not hesitate to contact me or the teacher running the activity at school.

Yours sincerely

Miss A Clark  
Assistant Principal
