## JEWELLERY/BODY PIERCING/HAIRSTYLES

- Safety is of paramount importance. Jewellery must be removed for practical lessons eg PE, Technology
- Acceptable jewellery: a wristwatch, one pair of ear-rings (studs or sleepers only)
- No rings, bracelets, necklaces
- Make-up – discreet make-up is allowed but any student heavily made-up will be told to remove their make-up; no gel or acrylic nails or varnish
- Body/facial piercing is not acceptable [if parents allow students to do this it should be done during a holiday period when healing and removal can then take place]
- Extreme hairstyles including patterns cut into hair or hair colours other than those that could be natural ie no reds, blues, greens etc... are not allowed. Hair length should be a minimum of grade 2

Our uniform requirement is typical of most secondary schools across the UK, it is cost-effective and many items are available at various retail outlets thus giving you choice and different price ranges. With this in mind home and school must continue to give the same consistent message to our young people by insisting they wear their full uniform correctly and with a sense of pride.

We have some items of good quality second-hand uniform in school should you be struggling in the current financial situation; please contact the main office and we will make the necessary arrangements. In line with our Academy Behaviour Policy students not wearing the correct uniform without an acceptable reason will either be sent home to dress correctly following contact with yourselves or will work independently in our inclusion or isolation base if we are unable to contact you.

We firmly believe that smart students demonstrate a good work ethic that contributes to effective learning and self-discipline and this is an important aspect of our ethos.

Thank you for your continuing support.

Miss A J Clark  
Assistant Principal
