

## Family Friendly Fungi Workshop and Foray

Tuesday 24<sup>th</sup> October 10am - 12.15pm

OR 1pm – 3.15pm

Want to know more about the fantastic world of FUNGI? Would you like to meet some of the most wonderful, wildest and weirdest fungi on the planet? For one day only, Ali McKernan (aka The Fungi Guy) will be leading family friendly sessions to share some wonderful learning about these mysterious mushrooms and friends.

We start with an interactive workshop introducing the basics of all things fungi through, models, activities and games. Then it's off and into the woods on a fungi foray to see what we can find and put some of that learning into practice. Ali uses his skills as a primary school teacher and energetic Youtuber to provide a fun, friendly and very much hands on fungi experience designed for kids (and their accompanying adults) to enjoy together.

**Please note:** These workshops are only for children and family to enjoy! If you are an adult and wishing to learn more about fungi, Ali will be delivering beginner's 'grown up' workshop and forays on September 23<sup>rd</sup> 2023 here at Sherwood Pines.

**Price: £16.50 pp** - Suitable for 5 yrs+, all children must be accompanied by an adult.
