

THE ELIZABETHAN ACADEMY

PRINCIPAL'S BULLETIN

Update from Mr Crowther

Dear Parents and Carers,

Welcome to my first Principal's bulletin. The intention of the bulletin is to update you on the latest school news and developments, whilst sharing and celebrating the fantastic things that make our academy and community so special. I appreciate that you all lead busy lives so the bulletin will be brief, but hopefully informative and of interest!

Following our return after half-term, the academy came together for two very important causes. On Monday 11th November, a range of activities took place to commemorate those that lost their lives in two world wars and other conflicts. On Friday 15th November, we took part in fundraising for Children in Need.

I would like to take this opportunity to congratulate Year 11 and 13 students for the fantastic effort that they have put into their mock exams in recent weeks. The dedication that the students are showing to their studies is putting them in a fantastic position to achieve exceptionally well in the real exams next summer.

We had an amazing turnout for our Sixth Form Open Evening. The deadline for applications is Wednesday 11th December.

Last week I was privileged to hear from members of our student council who offered very constructive and imaginative ideas about how we can further enhance their experience in school. Student voice will play an important role in our continued improvement.

Congratulations to Mr Bingham's Young Entrepreneurs group who took part in the Retford Big Market last Saturday to sell their products. The stalls looked amazing and they dealt with customers with utmost professionalism. They represented the academy fantastically!

Finally, especially as the days begin to draw in, I wish to thank you for your ongoing support when it comes to student attendance. We know the excellent levels of attendance supports students in optimising their learning.
