

ALUMNI PROFILE

NAME:

WOJCIECH TOMASZEWSKI

ATTENDED:

2019 TO 2024

What I did after the Elizabethan Academy:

After my GCSE and A level exams, I got accepted at the University of York to study Computer Science.

What I'm doing now:

I am currently Studying Computer Science at the University of York and looking forward to a work placement in the future.

In my spare time I play badminton, go to the gym and socialise with people I know. I also try and work part time and tutor people.

What I'd like to do in the future:

Not exactly sure at the moment, however I am considering of entering the Technology sector or IT Finance sector as a potential career path once I graduate.

My hobbies and interests are:

- Going to the Gym
- Playing Badminton
- Playing Pool
- Playing Computer Games
- Studying at University
- Occasionally watching Shows and Films

Favourite memory from the Elizabethan Academy:

My favourite memory from the Elizabethan Academy was participating in the School Theatrical Productions when I was in Sixth Form. I loved the people, the atmosphere and the work of so many people go into such amazing shows.

I also really enjoyed building friendly relations with other students and staff during my stay.

What advice I would give to pupils at the Elizabethan Academy:

My best advice to everyone at the Elizabethan Academy is to make the most out your time there and seek out any opportunity you are presented with to either make yourself better, form great memories or make new friends. Do your absolute best and don't be scared to try new things because school is a once in a lifetime experience.

Keep learning and figuring out what your hobbies and interests are in any spare time.
