JEWELLERY/BODY PIERCING/HAIRSTYLES

Students are allowed a wristwatch, and one pair of ear-rings (studs only). Rings, bracelets and necklaces are not permitted.

Students are allowed to wear discreet make-up, but any student heavily made-up will be told to remove it. They should not wear gel nails, acrylic nails or nail varnish.

Body/facial piercing is not acceptable.

Extreme hairstyles are not allowed: this includes patterns cut into hair, and colours other than those that could be natural (ie no reds, blues, greens etc). Hair length should be a minimum of grade 2.

Our uniform requirement is typical of most secondary schools across the UK, it is cost-effective and some items are available at various retail outlets. Home and school must continue to give the same consistent message to our young people by insisting they wear their full uniform correctly and with a sense of pride.

We firmly believe that smart students demonstrate a good work ethic that contributes to effective learning.
