

This application is for pupils who are receiving face to face music tuition during the school day, but who are paying Inspire directly for the lesson.

Inspire music delivers high quality in-school music Instrumental lessons, in partnership with your school. Lessons usually take place during the school day, as an individual or shared lesson with pupils leaving part of their curriculum lessons to attend. Wherever possible instrumental teachers will devise a rotation system to avoid pupils missing the same part of the same lesson repeatedly.

We will provide a minimum of 10 weeks per term, based on teacher availability.

What will it cost?

- Shared 20-minute lesson (your child will be assigned to a group): £67.87 per term
- Individual 20-minute lesson: £135.74 per term
- Individual 30-minute lesson: £203.61 per term
- Large Group lesson: Please ask your school if this is available

We also offer an instrument loan service with a large range of instruments available. We are currently unable to offer the loan of percussion, piano or keyboard instruments.

- Instrument loan: £15.00 per academic term

A 'Remission Scheme' is available for families in receipt of certain benefits, (criteria for this is detailed in the application form). This will cover the cost of lessons and the loan of 1 instrument.

If applicable, payment will be due before the start of lessons at the beginning of each term. Parents will be contacted by a member of the Inspire Music team in order to take a card payment. You will be contacted towards the end of each term by the Inspire Music team to discuss re-enrolment for the following term.

What Instrument could you learn?

Different schools offer different instrument choices, please chat with your school to find out what in-school music lessons are available.
