**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

---

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year 1 September 2020 to 31 August 2021. The annual report serves the purposes of both a Trustees' report and a directors' report under company law.

The trust operates an academy for pupils aged 11 to 18 serving a catchment area in North Nottinghamshire. The academy operates on two sites. The Hallcroft Road site has a student capacity of 1,258 and had a roll of 989 in the school census on October 2020. The other site operates as an alternative provision facility accommodating a small number of students.

### **Structure, governance and management**

#### **Constitution**

The academy is a charitable company limited by guarantee and an exempt charity.

The charitable company's Memorandum of Association is the primary governing document of the academy.

The Trustees of The Elizabethan Academy Trust are also the directors of the charitable company for the purposes of company law.

The charitable company is known as The Elizabethan Academy Trust.

Details of the Trustees who served during the year year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

#### **Members' liability**

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

#### **Trustees' indemnities**

In respect of the trustees and its function the Academy Trust has arranged insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring in connection with academy business. The limit of indemnity, for any one claim or the aggregate in any one period of insurance is £2,000,000. There were no third party indemnity provisions during the year ended 31 August 2021.

**Method of recruitment and appointment or election of Trustees**

In accordance with the articles of association the trustees are appointed as follows:

- a) The members may appoint a trustee provided that the total number of staff trustees does not exceed one third of the total number of trustees.
- b) A minimum of 2 parent trustees should be appointed, elected by parents of registered pupils at the academy. A parent trustee must be a parent of a pupil at the academy at the time when they are elected. Where the number of parents standing for election is less than the number of vacancies, parent trustees shall be made up by parent trustees appointed by the governing body. In appointing a parent trustee, the governing body shall appoint a person who is the parent of a registered pupil at the academy, or where it is not reasonably practical to do so, a person who is the parent of a child of compulsory school age.
- c) The Trustees may appoint staff trustees through any process they determine, including by a suitable election process. The total number of trustees who are employees of the Academy Trust shall not exceed one third of the total number of trustees.
- d) Community trustees may be appointed by the governing body provided that the person appointed is a person who lives or works in the community served by the academy or is committed to the government and success of the academy.
- e) The Principal is an ex officio trustee.
- f) The trustees may appoint up to 2 co-opted trustees.
- g) Additional trustees may, if deemed necessary, be appointed by the Secretary of State for Education.

The academy actively advertises and organises elections for trustee vacancies. New trustees are recruited from a variety of backgrounds and have the necessary skills to support, enhance and develop the Academy Trust. Trustees are subject to retirement by rotation but are eligible for re-election at the meeting at which they retire.

**Policies adopted for the induction and training of Trustees**

The Academy Trust is responsible for the induction and training of trustees who go through an induction period with appropriate training and information provided.

On appointment, all trustees are provided with handbooks and induction files. All new trustees are given a tour of the academy and the chance to meet with staff and students. All trustees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role. Training is given throughout the academic year and the academy buys back into Local Authority provision where necessary. Trustees are invited to attend all sub-committee meetings to select the most appropriate to their expertise.

**Structure, governance and management (continued)**

**Organisational structure**

The organisational structure consists of two main levels: The Trustees and The Senior Leadership Team under which Faculty Leaders and other budget holders operate. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The Senior Leadership Team consists of the Principal, Vice Principal, an Associate Vice Principal, two Assistant Principals and the Chief Financial Operations Officer. The Senior Leadership Team controls the academy at an executive level, implementing the policies laid down by the trustees and reporting back to them. Each member of the Senior Leadership Team has both strategic and operational responsibilities and links with Faculty Leaders, Pastoral, Administrative, Site and Training leaders. Each member of the Senior Leadership Team acts as a conduit and links with one or more trustee committees.

The Board of Trustees works with the Principal and the Senior Leadership Team to ensure that students receive a first class education. The Board of Trustees elects its own Chairman and Vice-Chairman, who cannot be the Principal, or a member of the teaching staff.

Trustees are drawn from all walks of life and represent the community served by the academy.

Academy trustees are answerable to parents and the community. Together with the Principal, who is responsible for day to day management, Trustees offer strategic leadership that sets and champions vision, ethos and strategy. Trustees ensure accountability that drives educational standards and financial performance

The day to day operational management is delegated to the Principal. All strategic decisions delegated to the Senior Leadership Team are ratified by the trustees.

As a group, the Senior Leadership Team are responsible for the authorisation of spending within agreed budgets though some spending control is devolved to Faculty Leaders and other budget holders, with limits above which a Senior Leader must countersign. The Senior Leadership Team in partnership with Faculty Leaders is also responsible for the day to day operation of the Academy, in particular organising the teaching staff, facilities and students.

**Sub Committees**

By law, trustees must meet at least three times every year, as a Full Board, but the ongoing business is discussed by smaller committees. All areas of the academy's work are discussed, reported on and decisions are taken by a majority vote.

A typical trustees' meeting agenda might include the following:

- Principal's report and issues raised
- Update on personnel matters e.g. appointments made
- Reports from the sub-committees on pastoral, curriculum, personnel and finance matters
- Budget monitoring
- A review of recent and forthcoming academy events and initiatives
- Trustee training
- Any current or key issues e.g. academy status, OFSTED requirements.

**Structure, governance and management (continued)**

At The Elizabethan Academy we have 3 sub-committees which meet at least once a term, and sometimes more frequently, if circumstances demand it. The sub-committee responsibilities are:

1. Quality of Education Committee

To discuss and make decisions on student matters including:

- ensuring the health, safety and well-being of students
- promoting community cohesion and inclusive practice relating to race, gender and disability equality
- overcoming barriers to learning
- parental and community liaison
- setting priorities for improvement and monitoring and evaluating the impact of improvement plans which relate to the committee's area of operation
- developing and reviewing policies identified within the Academy's policy review programme and in accordance with its delegated powers
- monitoring and evaluating rates of progress and standards of achievement by pupils, including any underachieving groups
- rigorous analysis of pupil progress and attainment information with comparison against local and national benchmarks over time
- ensuring that the curriculum is balanced, broadly based, meets the needs of all pupils and complies with statutory requirements
- setting priorities for improvement and monitoring and evaluating the impact of improvement plans which relate to the Committee's area of operation
- developing and reviewing policies identified within the Academy's policy review programme and in accordance with its delegated powers.

2. Finance, Risk and Audit Committee

To discuss and make decisions on matters including:

- effective controls of financial management, within available resources and ensuring regularity, propriety and value for money
- budgets and the financial management of the academy
- the school improvement service
- PFI / premises matters
- review school policies such as the Charging and Remissions, Finance and Investment Policies
- agree the level of financial delegation to the Principal
- ensure that the principles of 'best value' are adhered to
- review, monitor and evaluate the annual maintenance programme
- recommend an appropriate staffing structure to the Full Governing Body for approval
- recruit, select and appoint staff
- secure the effective implementation of Performance Management procedures
- monitor and evaluate the effectiveness of partnerships in securing improved pupil outcomes.
- to receive reports and correspondence from Internal and External Auditors and other bodies (eg ESFA/NAO) and consider any issues raised, together with the associated management response and action plans
- to advise the Trustees and Accounting Officer on the adequacy and effectiveness of the Academy's governance, risk management, internal control and value for money frameworks and systems through referral of such reports to the Governing Body and/or relevant Committee for information and action
- manage and set risk appetite and tolerance ensuring that risks are aligned with strategic priorities and improvement plans and that appropriate interventions are in place
- review and monitor the academy risk register

**Structure, governance and management (continued)**

- to review the Academy's fraud response plan and ensure that all allegations of fraud or irregularity are managed and investigated appropriately
- to advise the Trustees on the appointment/re-appointment, dismissal and remuneration of the External and Regularity Auditor
- to advise the Trustees on the requirement for and subsequently, the appointment/reappointment, dismissal and remuneration of an Internal Auditor or other assurance provider, thus enabling the Trustees to sign the corporate governance statement in the annual accounts
- to review the External Auditor's annual planning document and approve the planned audit approach.

**3. Pay Committee**

To discuss, advise and make decisions on matters including:

- ensuring a transparent system for Principal's Performance Management which is understood by all in the organisation and is linked to defined strategic priorities
- effective oversight of the performance of all other employees and the framework for their pay and continuous service.

There is also a Trustees Exclusion / Discipline Committee which meets as and when required, to discuss any permanent exclusion cases and has the power to reinstate an excluded pupil or to reduce the term of the exclusion.

**Arrangements for setting pay and remuneration of key management personnel**

Pay ranges for the Principal, the Vice Principal(s) and Assistant Principals will be determined in line with the School Teachers' Pay and Conditions Document (STPCD) for new appointments, where responsibilities significantly change or if this Academy chooses to review pay of leadership posts in line with the School Teachers' Pay and Conditions Document (STPCD). The pay range will take into account all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations including the skills and competencies required. Pay ranges will allow appropriate scope for performance related progression over time.

**Objects and aims**

The Academy Trust's objects are specifically restricted to the following:

- a) to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum ("the Academy") and
- b) to promote for the benefit of individuals living in Retford and the surrounding area who have need by reason of their age, infirmity or disability, financial hardship or social and economic circumstance or for the public at large the provision of facilities for recreation or other leisure time activities in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.

**Objectives, strategies and activities**

Our mission is to discover and develop the talents of all the young people and adults who work together to make the academy a vibrant learning environment, in which everyone can realise their ambitions.

Our core purpose is to prepare students for the next steps in their lives and equip them with the skills, qualifications and knowledge to become high achieving well-rounded individuals, thus enabling them to reach their potential and achieve their aspirations and goals.

Personal Development is critical for students' current and future success: we support our students to develop confidence, self-discipline, flexibility and resilience through our curriculum, extra-curricular opportunities and our leadership programme.

We are an inclusive and diverse community that respects others' differences and promotes understanding and tolerance of others' beliefs. This is reflected in our broad and balanced curriculum which reflects students' aspirations and future local, national and international career opportunities.

We expect excellence from all: from the staff who work here, from the students who learn here and from the parents who choose to send their children here. In return we offer students and staff an innovative, progressive, challenging but supportive environment in which to thrive.

**Public benefit**

In setting and reviewing aims and objectives and in planning future activities, the trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission.

All of the activities undertaken by the Academy Trust are for the education of its students and the benefit of the local community. The academy has forged strong links with the local community and the site is frequently used by community groups for a wide variety of activities. Throughout the academic year the academy offers frequent open days and evenings where not only parents, but also the local community, are encouraged to engage with the academy and participate in the events and exhibitions on display.

**Key performance indicators**

The continuing impact of the Covid-19 pandemic has made analysing results are very difficult, however the tables below indicate the following points:

- Examinations were replaced in Summer 2021 with Teacher Assessed Grades (TAG's) which required us to put in place a rigorous process in order to use a range of in-school assessments to award the grades. The process was very different to the CAG process last year, however, it was still critical to ensure that a robust system of moderation, standardisation and quality assurance was in place at teacher, Faculty Leader and SLT level.
- The TAG grades were externally sampled by the exam board with no changes.
- There was one student appeal which was not upheld by the awarding organisations.
- The data cannot be compared to previous years due to the nature of the different process put in place by the awarding organisations to ascertain grades, however the data demonstrates an upwards trend for most measures with sixth form results remaining a clear strength.

**Going concern**

The board of trustees closely monitors monthly management accounts and adopts planning measures appropriate to changes in funding. Student numbers joining us in September 2020 remained the same as the previous year resulting in an overall increase in student number. This is projected to continue to increase then stabilising at capacity in the 2-4 year period.

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies note of the financial statements.

**Financial review**

Most of the Trust's income is obtained from the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the period ended 31 August 2021 and the associated expenditure are shown as restricted funds in the statement of financial activities. The Trust also receives a significant amount of funding from Nottinghamshire County Council, its local authority.

During the year, the total income being recurrent and other grant funding from the ESFA and other incoming resources were in excess of total expenditure. The excess of income over expenditure for the period was £176,632. Excluding the costs relating to the restatement of the LGPS deficit, the excess of income over expenditure was £457,632.

The Trust's non-teaching staff are entitled to membership of the Local Government Pension Scheme. The Trust's share of the Scheme's assets is currently assessed to be less than its liabilities in the Scheme, and consequently, in common with other Trusts, the Trust balance sheet shows a net liability of £4,437,000.

**(A company limited by guarantee)**

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

---

**Strategic report (continued)**

The Trust held fund balances at 31 August 2021 of £13,969,718, comprising £557,836 of restricted funds, a fixed asset reserve of £17,616,231, a pension reserve deficit of £4,437,000 and £232,651 of unrestricted general funds.

The Elizabethan High School was built under a PFI contract between Nottinghamshire County Council and Transform Schools which terminates in July 2032. The academy has entered into a School and Principal Agreement which recognises the PFI contract and ensures that the Academy Trust cannot place the County Council in breach of any of its obligations under the original PFI contract. The School agreement also sets out the financial responsibilities that the academy has entered into between itself and the County Council.

**Reserves policy**

The Academy Trust, continues to analyse student numbers over a 5 year period in feeder primary schools as well as changes to formula funding and has planned for sufficient reserves to cover these eventualities. The reserves are split into the categories of restricted general funds and unrestricted funds. The unrestricted funds are the resources the academy has or can make available to spend for any or all of the academy's purposes once it has met its commitments and covered its planned expenditure.

The Finance, Risk and Audit Committee, in conjunction with the Full Trustees Committee, aims to carry forward sufficient funds to meet the Academy Trust's long term objectives and to provide working capital, whilst ensuring that it does not affect its current operational activities. The trustees have recognised that the appropriate level of free reserves should be equivalent to one to three month's expenditure (currently £450,000 to £1,350,000).

The academy's revenue reserves at 31 August 2021 are £790,487. The free reserves (unrestricted general funds) as at 31 August 2021 amounted to £232,651 with a further £557,836 carried forward as restricted revenue funds.

**Investment policy**

The trustees discuss and agree to any investments made by the academy. Investments are currently limited to a current account held with Lloyds Bank plc. Any future investments will be made with regard to Charity Commission guidance in relation to investments.

**THE ELIZABETHAN ACADEMY TRUST**  
**(A company limited by guarantee)**

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

---

**Principal risks and uncertainties**

The trustees have assessed the major risks to which the academy is exposed, in particular those relating to teaching, provision of facilities, financial, Covid-19 and other operational areas of the academy, and its finances. The academy has in place a detailed risk register which is used to identify and mitigate risks as far as possible.

The management of risks to the academy is undertaken in accordance with the Funding Agreement, the Academies Financial Handbook and the Academy Finance Policy.

The governing body is responsible for risk management and for maintaining a sound system of internal control that supports the achievement of policies, aims and objectives, whilst safeguarding public funds and other funds and assets for which it is responsible. It is advised in this role by the Finance, Risk and Audit Committee and both are advised and informed by the Senior Leadership Team.

The governing body fulfils its role by establishing the system of internal control, approving and reviewing a series of policies that underpin the internal control process and agreeing objectives, plans and resources by means of the budget and annual Academy Improvement Plan.

Risk Management

The risk management policy remains under regular review by the Finance, Risk and Audit Committee and will be presented annually.

The Academy Trust has appointed an internal auditor who has reviewed and reported on the Academy Trust's controls, systems and financial activities this period.

The trustees have taken into consideration the projected changes in student numbers and have planned accordingly.

The academy retains strong links with the Local Authority for any updates or changes to formula funding.

Significant risks and the measures in place to reduce them are identified in the academy's Risk Register which is subject to annual review. Further financial risk is covered by the academy's insurance policy.

**Financial risk management objectives and policies**

The academy's dealings with financial instruments are limited to bank accounts, creditors and debtors. This limitation serves to minimise credit and liquidity risks when this is combined with the nature of the academy's debtors (being principally government bodies and other schools) and therefore the risk to cash flow is also minimal.

Reference is also made to the Local Government defined benefit pension scheme which shows a deficit of £4,437,000.

**Fundraising**

The academy trust does not use any external fundraisers. All fundraising undertaken during the year was monitored by the Trustees.

**Plans for future periods**

Long Term Priorities

1. Implement an adaptable, holistic curriculum which develops confident young people ready to progress onto their next stage
2. Embed a BRILLIANT wellbeing culture across the academy and into the wider community

Short Term Priorities

1. Learners are prepared for the next stage of their education through quality formative and summative assessment that is rigorously and consistently applied and feeds into lesson planning.
2. To ensure that all students have a pathway to excel and develop employability skills through effective curriculum planning that feeds into SOL and classroom practice.
3. Passionate teachers plan and deliver lesson sequences, informed by research, which support all students to be active learners and develop metacognitive understanding.
4. Achieve and maintain high financial standards.
5. Students demonstrate respectful, responsible and resilient attitudes across all aspects of their lives with the support of their form tutor and through effective pastoral and faculty collaboration.
6. Leadership consistently focuses on developing others, leading not managing, collaborative cross team working and ongoing checking of impact.
7. Pupils have access to a wide, rich and coherently planned set of experiences, both in the curriculum and through extra-curricular activities, that enable them to develop their talents and interests.
8. To develop collaborative working and a high profile presence at all levels of the academy with community, parents and stakeholders.
9. The Academy has an embedded culture of positive mental health and wellbeing for both staff and students.
10. Create an outstanding Sixth Form that enables all learners to secure the highest levels of academic attainment and personal growth through bespoke curriculum pathways.

**Funds held as custodian on behalf of others**

The academy does not hold any funds as custodian trustee on behalf of others.

**Disclosure of information to auditors**

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

**Scope of responsibility**

As Trustees, we acknowledge we have overall responsibility for ensuring that The Elizabethan Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of Trustees has delegated the day-to-day responsibility to the Principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Elizabethan Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of Trustees any material weaknesses or breakdowns in internal control.

**Governance**

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The board of Trustees has formally met 3 times during the year. Financial oversight is maintained through delegation to sub-committees which meet to discuss specific matters as detailed and through link trustee visits which are reported back to trustees.

Attendance during the year at meetings of the board of Trustees and sub-committee meetings was as follows:

Trustees share the leaders' ambitions for pupils' success. They are passionate about the school and are fully committed to supporting continued improvements.

Trustees understand the requirements and responsibilities of their role. They are actively involved in supporting aspects of the school's work, not only in their strategic capacity, but by attending many of the school's events. They are also keen to develop and are active in a variety of relevant training that will support the development of the school.

There is a wide range of knowledge and expertise among the trustees, and the chair of trustees ensures that all skill sets are matched to meet the needs of the school. There are regular committee and full board meetings, where trustees ask challenging questions to hold senior leaders to account.

They attend accountability meetings known to the school as 'CSI'. At these meetings, trustees monitor underperformance of key pupils and use the information gleaned from these meetings, along with other data generated by school staff to challenge underperformance, but also support the principal in dealing with the challenges faced by the school. They have acknowledged an Ofsted criticism that they were not as diligent in challenging leaders in the area of Year 7 catch up funding, but have put in place measures and systems to address this criticism.

Governance is reviewed as part of the Leadership and Management section of the Academy Self Evaluation Form (SEF). The SEF is constantly updated and is reviewed each term at a Full Trust Board Meeting. Trustee effectiveness and improvement is now included in the Academy Improvement Plan and is addressed as part of the Leadership and Management section of that plan. Progress against the action set out in the plan are monitored on a regular basis.

**Review of value for money**

As accounting officer, the Principal has responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy has delivered improved value for money during the year by:

- Use of comprehensive curriculum modelling including benchmarking data such as contact ratio and curriculum bonus in order to ensure efficiency of both curriculum and staffing.
- Use of financial benchmarking of data using the DfE's self assessment toolkit.
- Ensuring that tendering is carried out in accordance with policy.
- Opportunities for financial savings are explored when possible.
- Significant increase in sixth from number to 52 in Y12 compared to 29 in Y13
- The academy has remained oversubscribed with 208 students in Y7 with PAN of 180.
- Despite Covid-19 pandemic the NEET figure was below national average.
- As previously stated there were improved outcomes at KS5 and for students in Alternative Provision (AP) at the academy's own AP facility at Idle Valley.

**The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Elizabethan Academy Trust for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements.

**Capacity to handle risk**

The board of Trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of Trustees.

**The risk and control framework**

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Trustees
- regular reviews by the Finance and Resources Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to employ Julia Raftery Consulting Limited as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. In particular the checks carried out in the current period included:

- testing of recruitment processes
- testing of business continuity processes
- testing of control account / bank reconciliations.

On an annual basis, the internal auditor reports to the board of Trustees through the Finance, Risk and Audit Committee on the operation of the systems of control and on the discharge of the Trustees' financial responsibilities.

The schedule of internal scrutiny has been delivered as planned albeit delayed until after the summer break period. Moving forwards, a further monitoring period will be introduced and reported to trustees.

**Review of effectiveness**

As accounting officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the school resource management self-assessment tool;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Finance, Risk and Audit Committee committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

---

As accounting officer of The Elizabethan Academy Trust I have considered my responsibility to notify the academy board of Trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy, under the funding agreement in place between the academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the academy board of Trustees are able to identify any material irregular or improper use of all funds by the academy, or material non-compliance with the terms and conditions of funding under the academy's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of Trustees and ESFA.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

---

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE  
ELIZABETHAN ACADEMY TRUST**

---

### **Opinion**

We have audited the financial statements of The Elizabethan Academy Trust (the 'academy') for the year ended 31 August 2021 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report including the Strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report and the Strategic report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report including the Strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE

**Responsibilities of trustees**

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the trust through discussions with Trustees and other management, and from our commercial knowledge and experience of the Trust and education sector in which it operates;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the Trust, including the Companies Act 2006, the Academies Financial Handbook 2020, the Academies Accounts Direction, taxation legislation, data protection, anti-bribery, employment, environmental and health and safety and safeguarding legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the trust's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- reviewed a sample of grants in the year to allocation and accurate recognition;
- agreed a sample of employees on the Trust payroll to existence and agreed the accuracy of their pay;
- assessed and reviewed the appropriateness and effectiveness of the key systems and controls;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in Note 2 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

**(A company limited by guarantee)**

---

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE  
ELIZABETHAN ACADEMY TRUST (CONTINUED)**

---

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- reviewing internal audit reports for any indication of breaches of laws and regulations;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing any correspondence with HMRC, relevant regulators and the Trust's legal advisors.

There are inherent limitations in our audit procedures described above. The more removed those laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance.

Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' report.

**Use of our report**

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE  
ELIZABETHAN ACADEMY TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY**

---

In accordance with the terms of our engagement letter dated 23 April 2019 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Elizabethan Academy Trust during the year 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Elizabethan Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The Elizabethan Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Elizabethan Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

**Respective responsibilities of The Elizabethan Academy Trust's accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of The Elizabethan Academy Trust's funding agreement with the Secretary of State for Education dated 1 April 2012 and the Academies Financial Handbook, extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

**Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

The work undertaken to draw to our conclusion includes:

- a review of the Trust's systems and controls and confirmation of the operation and effectiveness during the year;
- a review of expenditure to confirm the appropriateness and value for money; and
- a review of connected party arrangements, transactions and balances.

**Conclusion**

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

---

**1. Accounting policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

**1.1 Basis of preparation of financial statements**

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

**1.2 Going concern**

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

---

**1. Accounting policies (continued)**

**1.3 Income**

All incoming resources are recognised when the academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

• **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy has provided the goods or services.

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

• **Expenditure on raising funds**

This includes all expenditure incurred by the academy to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

• **Charitable activities**

These are costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy apportioned to charitable activities.

**1.4 Expenditure (continued)**

All resources expended are inclusive of irrecoverable VAT.

**1.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the academy; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**1.6 Tangible fixed assets**

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

The freehold title of the land from which the academy operates is owned by Nottinghamshire County Council. The Elizabethan Academy Trust entered into a lease agreement with Nottinghamshire County Council for the land and buildings from which the academy operates. The lease is for a peppercorn rent for 125 years from 1 April 2012 except for an earlier termination of the funding agreement.

The buildings were built under the Private Finance Initiative (PFI) and is subject to an agreement between Nottinghamshire County Council and Transform Schools Bassetlaw Limited, the PFI Contractor. The academy trust has entered into a supplementary schools agreement with Nottinghamshire County Council concerning the PFI agreement. Under the terms of the agreement the academy is committed to paying Nottinghamshire County Council a proportion of its budget in consideration for the Council paying the PFI contractor the unitary charge under the PFI agreement.

In addition, if The Elizabethan Academy Trust is operating as an academy at the time of the expiry of the PFI agreement between the council and the PFI Contractor in July 2032, the Council shall transfer or procure the transfer of the building to the academy trust at no cost to the academy trust.

It is the opinion of the trustees that the terms of the lease agreement and the supplementary schools agreement transfer substantially all of the risks and rewards of ownership of the asset to the academy trust and therefore the asset was recognised on the balance sheet as a fixed asset, with a corresponding entry to donations as a gift in kind in the period of conversion.

Payments to Nottinghamshire County Council in consideration for the Council paying the unitary charge to the PFI Contractor are in respect of maintenance, utilities, cleaning and similar expenses.

As such, they have been analysed under appropriate expense headings in the statement of financial activities in the period to which they relate.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

**1. Accounting policies (continued)**

**1.6 Tangible fixed assets (continued)**

Depreciation is provided on the following bases:

Long-term leasehold property	- not depreciated
Furniture and equipment	- over 5 years
Computer equipment	- over 3 years
Motor vehicles	- over 5 years

Leasehold buildings are not depreciated on the grounds of immateriality. Leasehold buildings are subject to regular maintenance and repair such that in the trustees opinion the residual value is not materially different from the value in the financial statements and have a long useful economic life.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

**1.7 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.8 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.9 Liabilities**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

**1.10 Financial instruments**

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement bases are as follows:

*Financial assets* - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 14. Prepayments are not financial instruments. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment. Cash at bank is classified as a basic financial instrument and is measured at face value.

Cash at bank is classified as a basic financial instrument and is measured at face value.

*Financial liabilities* - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 15. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment.

**1.11 Pensions**

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

**1. Accounting policies (continued)**

**1.12 Agency arrangements**

The academy trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in Note 27.

**1.13 Fund accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**2. Critical accounting estimates and areas of judgment**

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 22, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2021. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement:

The judgements (apart from those involving estimations) that the Academy trust has made in the process of applying the trust's accounting policies and that have the most significant effect on the amounts recognised in the financial statements are as follows:

It is the opinion of the trustees that the terms of the lease agreement and the supplementary schools agreement transfer substantially all of the risks and rewards of ownership of the asset to the academy trust and therefore the asset was recognised on the balance sheet as a fixed asset, with a corresponding entry to donations as a gift in kind in the period of conversion.

**16. Statement of funds (continued)**

The specific purposes for which the funds are to be applied are as follows:

Unrestricted funds

Unrestricted funds represent both those resources, as well as funds transferred to the Academy from the Local Authority upon conversion, which may be used towards meeting any of the objects of the Academy at the discretion of the Trustees. These are not currently designated for particular purposes.

Restricted Fixed Asset funds

Transfer from Local Authority on conversion represents the assets transferred to the Academy from the Local Authority upon conversion.

Capital expenditure from GAG represents fixed asset expenditure transferred from other restricted income.

Restricted Revenue funds

General Annual Grant (GAG) is made up of a number of different funding streams, all of which are used to cover the running costs of the Academy.

Other ESFA Grants, other government grants and other restricted funds represent monies received for specific purposes.

Pension Reserve represents the current deficit balance of the Local Government Pension Scheme (LGPS).

Summary

The balance on restricted general funds plus unrestricted general funds at 31 August 2021 results in a net surplus of £790,487.

Under the funding agreement with the Secretary of State, the academy was not subject to a limit on the amount of GAG it could carry forward at 31 August 2021.

**22. Pension commitments**

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Nottinghamshire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2019 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

**Teachers' Pension Scheme**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

**Valuation of the Teachers' Pension Scheme**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

**22. Pension commitments (continued)**

The employer's pension costs paid to TPS in the year amounted to £523,557 (2020 - £459,558).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

**Local Government Pension Scheme**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2021 was £195,000 (2020 - £166,000), of which employer's contributions totalled £151,000 (2020 - £127,000) and employees' contributions totalled £ 44,000 (2020 - £39,000). The agreed contribution rates for future years are 20.8 per cent for employers and 5.5 per cent to 12.0 per cent for employees.

As described in note the LGPS obligation relates to the employees of the academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

**24. Other financial commitments**

The building from which the academy operates was built under the Private Finance Initiative (PFI) and is subject to an agreement between Nottinghamshire County Council and Transform Schools Bassetlaw Limited, the PFI Contractor. The academy trust has entered into a supplementary schools agreement with Nottinghamshire County Council concerning the PFI Agreement. Under the terms of the agreement the academy is committed to paying Nottinghamshire County Council a proportion of its budget in consideration for the Council paying the PFI Contractor the unitary charge under the PFI agreement.

For the period ended 31 August 2021, payments to Nottinghamshire County Council under this agreement totalling £709,071 (2020 - £679,969) have been included in the SOFA as part of utilities, catering, maintenance of premises contract etc as appropriate.

The agreement runs until July 2032 and the estimated annual cost is £600,000.

**25. Members' liability**

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

**26. Related party transactions**

Owing to the nature of the academy and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

No other related party transactions took place in the period of account, other than certain trustees' remuneration and expenses already disclosed in note 11.

**27. Agency arrangements**

The academy trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting period ending 31 August 2021 the trust received £9,370 (2020 - £7,724) and disbursed £2,886 (2020 - £7,724) from the fund. An amount of £6,484 is included in other creditors relating to undistributed funds.
