Transport / Buses

The majority of our buses are organised, regulated and operated by Nottinghamshire County Council. For more information about school transport visit the council's [website](#) website or telephone 0300 500 80 80.

We currently provide subsidised transport on the 100, 101 and 102 buses. We are in the process of revising the timetable for these services to enable staggered start and end times from September 2020. The timetables will be made available here as soon as the details are confirmed with our transport providers. If you have any queries about these services please contact the academy.
