

WORK FOR YEAR 12

BUSINESS / ECONOMICS

One of the key elements of the course is to be more aware of business and economic issues. Students need, over the summer, to ensure they keep up to speed with current affairs in particular the issue of BREXIT as International affairs is a key topic of the course

Summer project

Students are to complete a project based on the EU as a trading bloc and the issues surrounding BREXIT! It needs to include the following:

- A brief history of the EU
- An understanding of trade blocs with examples making sure you identify the differences between a free trade area and a common market. Explain tariffs and quotas and why they are important.
- A table showing the advantages/disadvantages of trading blocs.
- A report on the current issues regarding BREXIT. What are the problems that we may face?
- Finally, what are your opinions on Brexit?
